

## Historic Rock Ford Reopening Plan for Visitors

The health and safety of our visitors, volunteers and staff will remain at the forefront of our phased reopening. We will slowly start to open for guided tours on Tuesday, July 7th by offering limited tour times, Tuesday-Friday: 10:00 am, 12:00 pm & 2:00 pm. To reduce unnecessary contact, we will require all visitors to purchase their tickets in advance through Rock Ford's Yapsody page. If you require assistance with the online admissions process, please call the Rock Ford Office at 717-392-7223. A staff member will be in the Office during normal business hours 9:30 am - 4:00 pm, Monday - Friday to monitor phone messages.

- Rock Ford staff will thoroughly clean and disinfect all surfaces that visitors and tour guides have come in contact with after each tour.
- Hand sanitizer and masks will be available for all visitors upon arrival for their scheduled tour time. Hand sanitizer will also be available upon request at any point during the visit.
- There will be no hand-shaking.

### Admission Requirements:

- All visitors are required to wear a mask at all times. If guests are maintaining social distance while exploring the grounds, masks are not required outside. Adults accompanying minors should use the adult's best judgement with respect to placing masks on a minor.
- Tour guides will deliver the tour introduction on the porch outside of the mansion. Visitors will be standing, walking and climbing steps for the entire tour.
- Chairs will only be available for visitors who feel the need to sit. A limited number of chairs will be socially distanced in the first floor hallway and the second floor hallway.
- Tour guides will socially distance 6 feet apart from visitors at all times. Tour guides will step behind ropes in each room to maintain social distancing while giving tour information.
- Maximum parties per tour: 2
- Maximum total of visitors if only one party is scheduled for a tour: 10
- Maximum total of visitors if two parties are scheduled for a tour: 6

- All tours will be limited to two parties. If two parties are scheduled for one tour, staff will adjust ropes in rooms to make sure that 6 feet of space is available for both parties to social distance 6 feet apart from each other. If only a single party has purchased tickets for a tour, they do not need to social distance themselves from each other, only from the tour guide.
