

Historic Rock Ford Dance Committee

The Historic Rock Ford (HRF) Dance Committee's mission is to provide dance experience in conformity with the Historic Rock Ford Foundation's Statement of Purpose, which is: The mission of the Rock Ford Foundation is to provide opportunities to connect with and explore the life of Edward Hand, the diverse communities and material culture of early Lancaster County, and the complex issues that shaped our nation in its formative years by preserving and interpreting Historic Rock Ford and its collections.

Members of the HRF Dance Committee are self-taught amateurs in English Country Dance, a centuries old dance form still popular virtually worldwide with individual dances having numerous variations. Country dances were the most popular of the social dances done by all ages and all classes of society in America during the latter part of the 18th century. Although they were English in origin, they were danced throughout the British Isles and parts of Western Europe as well. "Country dance" was a generic term for progressive dances in a longways formation and did not have the connotation of rural or rustic dancing that the name may conjure up today. Aspiring to authenticity and working toward greater proficiency, we meet regularly the second and fourth Thursday of each month from 6:30PM to 8:30PM in the Historic Rock Ford barn to practice. During the 2021 season and while social distancing remains necessary for dancer's safety and comfort, we will meet outdoors on the concrete pad directly in front of the barn, weather permitting.

Because our primary responsibility is as HRF volunteers, the Dance Committee practices regularly in order to provide period dance entertainment during special events at HRF. So that we may provide the best historic interpretation, all members must wear clothing appropriate to 1790-1805. While many current members provide their own clothing, we will assist new members with making, acquiring, or borrowing the necessary clothing to participate in special events at Historic Rock Ford. In summary, members of the HRF Dance Committee, commit to:
